

# MACC—ARAMARK PARTNERSHIP

## **About Aramark:**

ARAMARK is a leader in professional services, providing award-winning food services, facilities management, and uniform and career apparel to health care institutions, universities and school districts, stadiums and arenas, and businesses around the world.

**Aramark's Building Community Program** is a company-wide philanthropic and employee volunteer program dedicated to enriching lives in local communities. Through this initiative, Aramark employees apply their collective expertise in culinary, nutrition, workforce trainings, and facilities management skills toward strengthening local neighborhood community centers.

## **Aramark and MACC Alliance Partnership:**

To achieve their mission to enrich our local community centers, Aramark has teamed up with the MACC Alliance. This one-year old partnership has already allowed our community centers to increase the capacities of their programming by:

- Having extra volunteers to help at events
- Redesigning Community Center rooms
- Donating and serving food for a holiday meal

## **How Aramark can help you:**

Aramark has reminded us that they want to help. However, we need to let them know about opportunities for them to get involved in! Aramark has a very large workforce that are willing to provide **extra hands** in your organization through volunteering. They also have the numbers and resources to help provide **in-kind donations**, like coat drives or food drives. Still more, they also have company **mini-grants** to help fund projects.

## **How does it work?**

If you have a project that could benefit from extra help, fill out a Project Request form provided by The MACC Alliance and email it to a MACC representative, who will forward them to an Aramark representative. Aramark will email volunteer opportunities to regional managers who recruit their own employees. From there, your community center and Aramark work together to help make your project a success!
